Faculty Advisor _____

1st Yr. _____ **2nd Yr. Advanced Standing** _____ **Concentration: Casework** _____ **Group Work** _____ **Community Soc. Wk.** _____

2nd Yr. _____

Agency _____

Field Instructor _____

The **LEARNING CONTRACT** is to be filled out jointly by the field instructor and student, using the School's criteria for student performance in field work as your guide. See Field Manual online at www.yu.edu/wurzweiler

First year students require generic assignments across methods (**casework, group work, community social work**).

Second year students require depth in assignments in their practice specialization (**casework, group work, community social work**).

Identify the student's assignments and learning goals for the academic year.

Two-year students in a 21 hour per week field placement: 10-11 hours should be devoted to practice Another 10-11 hours should include 1 ½ to 2 hours for field instruction; 4 hours for process recordings; and time for staff meetings, case conferences, educational seminars, and agency recording. (Block students may spend a fourth day devoted to research, writing logs, and reviewing relevant literature.)

Advanced Standing students require 28 hours of field work: **half** of their time should be devoted to practice (13 to 14 hrs.), and the rest to field instruction, process recordings, case conferences, etc.
