## What Students Can and Cannot Bring to the AP EXAMS

### What Students Can Bring

- **Several sharpened No. 2 pencils** with erasers, for all responses on the multiple-choice answer sheet.
- **Pens with black or dark blue ink** for completing areas on the exam booklet covers and for free-response questions in most exams.
- **A watch** that does not have internet access, does not beep, and does not have an alarm.
- **Approved calculator** with the necessary capabilities for the AP<sup>®</sup> Biology, Calculus, Chemistry, Physics, or Statistics exams. Visit College Board [Calculator Policy](#) page to find the calculator policy for each subject and a list of approved graphing calculators.
- **A ruler or straightedge** for taking the AP Physics exam. Protractors are not allowed.
- **A school-issued photo ID or current government-issued photo ID.**

### What Students Cannot Bring

- Electronic equipment (phones, smartwatches, or wearable technology of any kind, laptops, tablet computers, Bluetooth devices, portable listening or recording devices—MP3 player, iPod, etc.—cameras or photographic equipment, devices that can access the internet, separate timers of any type, and any other electronic or communication devices).
- Books, compasses, protractors, mechanical pencils, correction fluid, dictionaries, highlighters, notes, or colored pencils
- Scratch paper
- Watches that beep or have an alarm, or smartwatches
- Reference guides, keyboard maps, or other typing instructions
- Food or drink is not allowed in the testing room but can be accessed during breaks.
- Clothing with subject-related information and ear plugs
