Kreupasanam light a candle prayer malayalam

Oh, Holy Mother, I come to you with devotion and humility. As I seek your guidance and blessings, I reflect on the power of prayer and the importance of unity among us all. I pray that my family's intentions are in harmony with yours, dear Lord, and that our prayers are joined together like threads in a tapestry. May our collective efforts be strengthened by the sacred rituals of fasting and devotion, as we seek your divine assistance. As I offer this prayer, I ask for your guidance and wisdom to flow through me and my loved ones. May our paths be lit by the light of your love and may our hearts be filled with gratitude and peace. In your loving presence, dear Mother, I humbly request that you bless our family's intentions and prayers, that they may align with yours and bring us closer to your sacred will. Amen.
