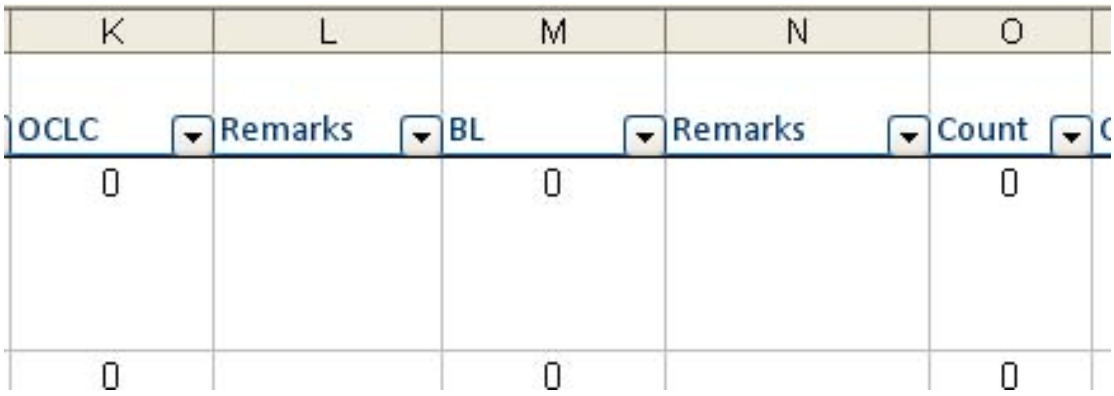
THE ENDANGERED ARCHIVES PROGRAMME
The Endangered Archives Programme is supported by Arcadia and administered by the British Library

EAP188: Rescuing text: retrieval and documentation of printed books and periodicals published prior to 1950 from public institutions in Eastern India

This project surveyed the collections of 18 libraries in the state of West Bengal and 2 libraries in the state of Assam, producing a database of 26,579 titles.

Database key

The titles surveyed were checked against the OCLC Worldcat and British Library Catalogue data, and this information appears in the following spreadsheet columns:



K	L	M	N	O
OCLC	Remarks	BL	Remarks	Count
0		0		0
0		0		0

A count of 0 – no match
A count of 1 – match
