HOMICIDE & RELATED OFFENSES				
First Degree Murder – in performing the acts which cause the death,	General Offense	Homicide	First Degree Murder	0110
offender either intends to kill or do great bodily harm or knows that such				
acts will cause death, OR offender knows that such acts create a strong				
probability of death or great bodily harm, OR offender is attempting or committing a forcible felony other than second degree murder.				
Second Degree Murder – offender commits second degree murder.	General Offense	Homicide	Second Degree Murder	0130
when the offense of first degree murder (as previously defined Section	General Ollense	Homicide	Second Degree Murder	0130
9-1) is committed AND either of the following mitigating factors are				
present: (1) At the time of the killing, the offender is acting under a				
sudden and intense passion resulting from serious provocation by the				
victim or another whom the offender endeavors to kill, but he				
negligently or accidentally causes the death of the victim; OR (2) At the				
time of the killing, the offender believes the circumstances to be such				
that, if they existed, would justify or exonerate the killing under the				
principles stated in Article 7 of ILCS Code, but his belief is unreasonable.				
	I		<u> </u>	
Attempted Murder (see BATTERY) Involuntary Manslaughter – Offender unintentionally kills an	General Offense	Homicide	Involuntary Manslaughter	0141
